

## Z24 – 12 Tonne Hydraulic Crimper

### Description

TriCab's 12-Tonne Hydraulic Crimper accommodates hexagonal dies for terminating copper and aluminium conductors.

Included is a set of standard copper dies from 16 mm<sup>2</sup> to 400mm<sup>2</sup>. Aluminium crimping dies are also available, sold separately.

### Advantages

- 180° rotatable head
- Two-stage pumping action for rapid ram advance to the connector
- Minimum pumping action required
- Release pressure simply by twisting the handle
- Crimper dies included.
- Clear markings of die size and A/F
- Easy to change oil

### Materials

- Fibreglass handle
- Crimper body: Alloy Steel
- Copper crimping die: Heat-treated Carbon Steel

### Inspection and Testing

- Visual inspection
- Crimping Test
